**A NOTE FROM YOUR
PTA**

This year your PTA is committed to adapting to changes in our current environment. We are hard at work coming up with unique and fun ways to engage and support our community safely. Stay tuned for more information on virtual events and programs. We could not do what we do without our members. Please consider joining the PTA this year and helping us provide the best available programs to the Hawley community.

Thank you for your support!

Our PTA funds a number of in-school assemblies as well as many other enrichment activities.

We're grateful to our PTA for arranging to bring these special events to the Hawley Students.

"It takes more than a good school to educate children.
And it takes more than a good home.
It takes these two major educational institutions working together."
